Welcome to Robin's Nest!

We look forward to getting to know you all and hope to establish a long-lasting relationship with you and your children.

Robin, Jena, Emily & Traci will be your directors and contact for questions you may have.

I am Robin of Robin's Nest and you can reach me at 618-922-8445 anytime. I will be taking over billing and files. Feel free to contact me with any questions you may have. Email: moore42601@gmail.com Facebook: Robin Halm-Moore

Traci will be the morning director opening the center and you can reach her at the school number.

Jena will be scheduled for 9-2 and you can reach her at 618-534-3228

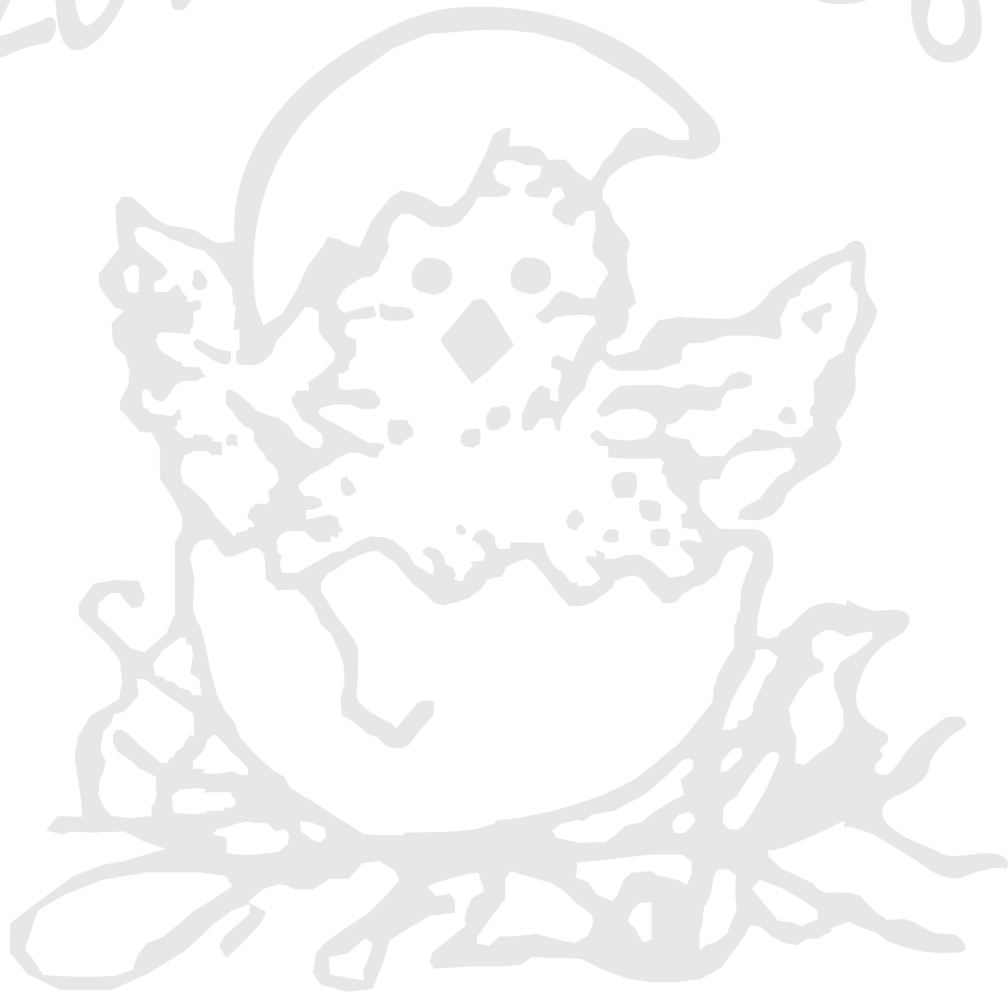

Emily will be the closing director and you can reach her at the school number.

Some basic answers to questions you may have as you go through this contract:

1. Your rates will remain the same as they are with Small World if we get this packet returned to us filled out by December 20. **After this date new rates will apply.**
2. You will not need to get a new physical for your child unless the one on file is more than 1.5 years old. We will provide you with that information if we need it.
3. We will not raise rates for 6 months and it would be a gradual rate increase with a 30-day notice of such an increase. We will not do that until the school has been updated.
4. We will be going through the accreditation process and will need your help and feedback. Please fill out parent surveys to give us a starting point.
5. Provider change forms have been given to CCR families. I need those back by December 8 to get things transferred over.
6. File fees are waived

7. Vacation time will be eligible after 3/31/18
