

Robin's Nest School Age Summer Camp Reservation Sheet

Robin's Nest summer camp theme is **Deep Into the Rain Forrest**. The school age kids will be learning about geography, climatology, zoology and global warming.

The older school age kids will have a daily reading time reading from a chapter book as a group. Our goal is to make reading fun, learn new vocabulary and teach how book ideas are put together to form a story. We will also be comparing and contrasting the book from the movies for additional class discussion. (Idea, body, character, problem, metaphors, conclusions)

We will be doing many fun field trips. There will be a calendar sent home in advance with all of the activities, the costs and what is required for that trip. You will circle what activities you would like your child to do, send the calendar back with payment for those trips attached to the calendar. The first calendar will come out the first week of May for June's activities.

1. All field trips must be pre-paid for on a separate check. Look at calendar for sign up and due dates. After the due date you can add on for an additional fee and will be based on availability only. Some trips are pre-pay and adding on will not be available.
2. **Parent's must sign their calendar & provide payment to have their child added to the activity.**
3. There are no refunds on field trips unless we cancel the field trip.
4. Please refer to Robin's Nest Learning center's face book page for charges and reminders.
5. Robin's Nest reserves the right to cancel a field trip due to weather, unsafe road conditions or if we feel the welfare of the children is better served to stay at the center. There will be a computer notice of any such changes as soon as we know the changes ourselves.
6. Robin's Nest reserves the right to remove a child from a field trip if the child's actions pose a danger to themselves or the other children. An example would be: Wandering away from the group or hiding, unbuckling safety belt or unsafe actions on van, or acceptable outburst of behavior that cannot be controlled.
7. Robin's Nest does the best they can to leave and be back based on times given for the field trip. Sometimes it takes us longer to ensure the safety of the children, gathering belongings, etc... please be patient. The staff in charge on the field trip will call the center when they are on their way back.
8. If you are running late and your child is signed up for the field trip, we cannot keep the group waiting. We will leave directions for you to drop off at the activity location. Please help us out, if we are late leaving we will be late getting back or we will lose our reservation completely.
9. Please be sure your child has sunscreen on before coming to the center. We will reapply as needed.
